Current performance may be higher or lower than the performance data quoted.

## **INVESTMENT APPROACH**

- Long term thematic investing by comprehending and allocating capital in secular long term trends both societal and macro.
- Identify stocks in global themes such as aging population, consumption habits, automation, payments etc and invest when prices are right.
- A return oriented mindset agnostic to definition of value or growth, geography or size of the company.
- Avoid market noise and use temperamental advantage.
